

2018 Junior Club

The Juday Creek Junior Club is designed for Juniors who have participated in golf camp, but are not quite ready for Team Golf, but want to play on a regular basis. It gives those beginning and intermediate golfers the opportunity to continue working on their skills throughout the summer.

The 2018 Club will be structured and will monitor improvement, therefore we are not offering a per time option this year.

Program Dates are:

Monday, June 11th to Wednesday, July 25th

The Junior Club will play:

Monday Evenings from - 6:30 p.m. to 9:00 p.m.

Wednesdays 8:30 a.m. - 11:00 a.m.

Registration Available Online or in the Pro Shop.

Program Cost:

\$75.00 for the 2018 Season (\$65.00 with 2018 Camp Registration)

There is not a weekly payment option this year.

Juniors are encouraged to attend as many sessions as they can, *please try to let us know in advance of absences*. Each session will be led by coaches who will provide light warm-ups and a simple skills drill before the golfers tee off. The golfers will be paired by ability and there will be set scoring standards that must be met to advance on to play more holes and to move to a more difficult set of tees. Coaches will maintain a log of scores and tee levels. While there will be some individual attention and a structured environment this is much more a playing opportunity than an instructional program. [We request that participants have a genuine interest in golf and the program is *not* used as a child care service.](#)
